## LITERACY TIPS:

Using a few simple strategies will make a significant difference in helping your children develop into good writers.

- Have an exciting selection of writing materials readily available such as paper, pencils, pens and crayons.
- Talk to your child about his/her writing and read it through together.

## SCHOOL ASSEMBLIES:

We have various celebrations here at school during our school assemblies. These vary from month to month and include such events as:

- Student Recognition Assemblies
- Celebrating Various Cultural Events
- School Performances/Choir Presentations

## MATH TIPS:

Ideas parents can use at home to help their children develop their math skills.

A shape is symmetrical if it can be cut along a straight line into two halves that are mirror images of each other. Learning about symmetry gives children a good sense of geometric principles and calls on their mathematical reasoning abilities.

## HEALTHY LIVING TIPS:

**Grapes for a snack is easy, just wash & eat!**

Grapes may be found in a wide variety of colors  
– RED, GREEN, and PURPLE.

Each color is important for good health.

**RED:** A healthy heart

**GREEN:** Vision health and strong bones

**BLUE/PURPLE:** Memory function
