

Good afternoon EBES Families,

We are looking forward to welcoming our students on Sept 7th!! We have been busy preparing for our students' arrival. Your child's teacher will be reaching out to you before the 7th to introduce themselves and explain the first day procedures. A separate email for Primary Families will be sent as well. Power School is going to be available to families on Sept 1st. Please understand that we have been registering many new families all summer long. We are still in the process of creating class lists due to late registrations. The class lists are NOT finalized. The teacher you see on power school may NOT be your child's teacher. We will not be taking teacher requests. Please ensure your child knows where he/she/they will be going after school each day.

We will be in touch again soon.

Ms. Foster
